

The distinguished board members of the Greece Chartered Accountants Student Society are delighted to invite students to a captivating virtual event titled “**Charting Brilliance: The Voyage of an ACA Student**”, scheduled for **28 June**.

This event is specially designed for university students and aims to raise awareness about the ACA training program across Greece. Join us to gain invaluable insights into the dynamic fields of professional accountancy, finance, and business.

What to Expect:

In-Depth Exploration: Delve into the intricacies of the ACA business qualification and understand what sets it apart.

Expert Guidance: Hear from esteemed speakers who will share their experiences on balancing ACA studies with professional commitments, offering practical advice and inspiration.

Career Opportunities: Discover the diverse career paths that the ACA qualification opens up, empowering you to envision a bright future in the world of finance and business.

Event Highlights:

Conducted in Greek: The entire event will be held in Greek, ensuring a comfortable and engaging experience for all participants.

Exciting Quiz: Participate in our quiz and stand a chance to win exclusive prizes:

- Spend a day at one of the biggest firms in Greece.
- Enjoy lunch with top business executives.

Don't miss this unique opportunity to enhance your understanding of the ACA qualification and its potential to shape your career.

We look forward to the students' participation in what promises to be an enlightening and inspiring event.
